RE: **Liberty Lagoon Phase III Renovations – Addendum 02**
111 Lobdell Avenue
Baton Rouge, Louisiana

Bid Opening Announcement

Due to COVID-19, the BREC Administration Office is currently closed to the public. Mail, shipments, and hand deliveries will continue to be received as usual for sealed bids. Attendance is not required for the Bid opening. Bid tabulations and results will be posted as usual. The bid opening will be available via Zoom conference call. All items will be read aloud for conference participants to hear. To access the call follow these steps:

The following changes to the bid documents have been made under Addendum 01. Please refer to the attached documents for additional information. A summary of changes have been outlined below:

Plan Changes

Sheet A3.0/A4.0 – Replaced 2 windows Type A with Type D

Approved Prior Approvals:

1. Tex-Trude Xtreme Vapor Barrier
2. Allegion Door Hardware
3. Lighting Fixture "A" – Metalux, Columbia Lighting
4. Lighting Fixture "B" – Portfolio, Prescolite
5. Lighting Fixture "C" – Luxmark, Hubbell Outdoor Lighting
6. Lighting Fixture "EM" – Sure-Lites, Dual-Lite
7. Lighting Fixture "X" – Sure-Lites, Dual Lite
8. Lighting Fixture "Z" – Exitronix, Envoy
9. Lighting Controls – Hubbell Control Solutions

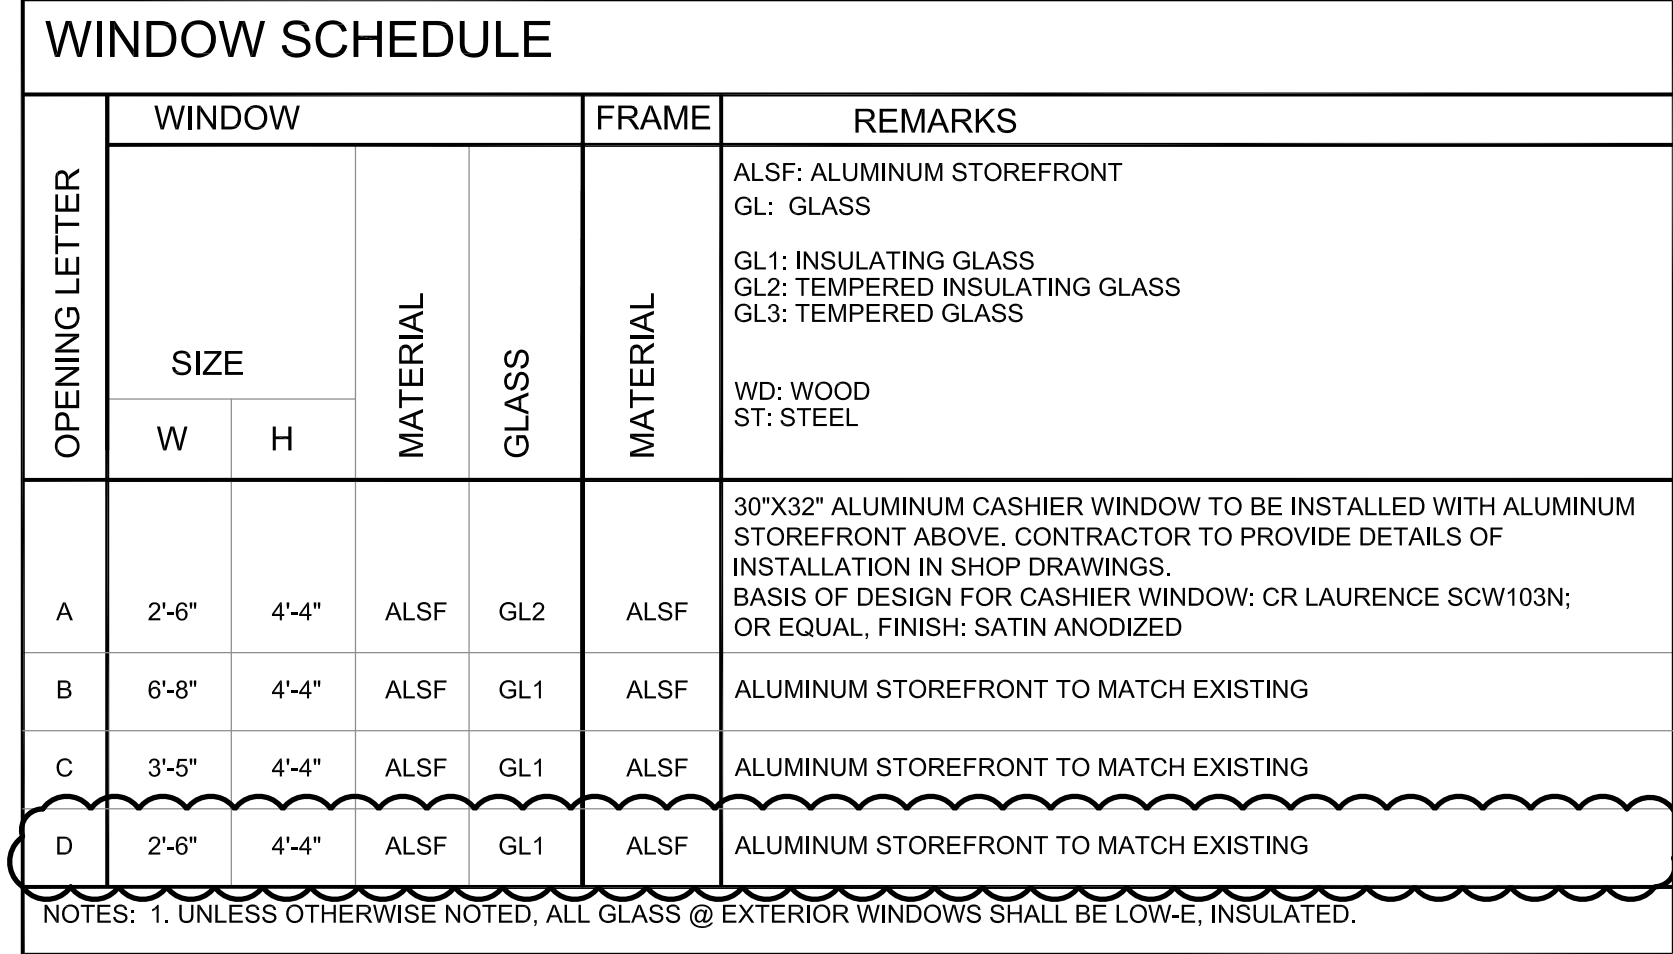

Please note that acceptance of a particular manufacturer does not excuse that manufacturer from furnishing equipment in strict accordance with the plans and specifications. Compliance with specifications is the responsibility of the prior approval manufacturer.

Clarifications:

1. Conflict between structural concrete sealant specifications and finish specification. Please utilize H & C product as concrete sealer.

Respectfully,

Ryan Dunlevy, P.E.
Southeast Engineers
